

Requirements for Road Use & Third Party Requests:

All Road Use & Third Party Requests and/or inquiries are to be emailed to: 3rdpartyrequests@karveenergy.com

Once received, your request will be forwarded to the appropriate Administrator.

For Road Use Requests, please provide the following:

- The Legal Location of the Request (i.e. SW 15-50-14 W5M)
- The Beginning & End locations of the **KARVE ENERGY** Road(s) you are requesting to use
- The details of **Your Company Name** Roads/Facilities if available (i.e. LOC, Name of Well Site & Access Road)
- The Road Use Kilometers to be used (i.e. +/-0.78 Km of LOC 850554)
- The purpose of the intended work
- Complete project plans as well as any enlarged plans
- Outline the route taken for Access and the corresponding road use table

For Third Party Requests, please provide the following:

- The Legal Location of the Request (i.e. SW 15-50-14 W5M)
- The details of the **KARVE ENERGY** Facility being affected (i.e. Pipeline Right of Way Plan 965480, License 58546 Line 1, **Your Company Name** 6-14 Wellsite MSL 56746)
- For large projects, please separate the crossings from the proximities as they require different agreements
- A copy of the IOP and any crossing detail plans
- Circle and highlight the **KARVE ENERGY** Facility being affected

For all Requests, please provide the following:

- Clear maps and survey plans
- Show the full Quarter Section(s)
- Identify the area of each request separately
- Include the original complete pdf version of the plan(s) as well as the highlighted and circled plan

Thank you,

Karve Energy Inc.
